Fall 2025 Newsletter

**Calling all teachers,
librarians and school

One of our goals is to have mini writing workshops in elementary schools to ignite a love of books, reading and creativity.

Thank you for your support over the past year. This new venture has been so well received and a dream come true. I'm very thankful that you are along for the ride. Please feel free to share this newsletter. With your help, we can inspire today's youth - one book at a time.

Sincerely,

Traci

Fun with the Family

Looking for a way to pull everyone out of their devices and separate rooms? Start a Family Game Night!

Be sure to choose a game that everyone (or most) will enjoy.

Tip: Have everyone (parents included) place their phones on a charger or table away from the game to ensure full engagement. They'll fuss initially, but soon get in on the fun.
